RE: Second Quarter Water Monitoring, Star Point Mine, Plateau Mining Corporation,
C/007/006, Carbon County, Utah

Dear Ms. Grubaugh-Littig:

The water monitoring data for the second quarter of 2001 submitted electronically to UDOGM is correct and complete to the best of our knowledge. I observed an error after I had OK'd the data for site 5-1, CTE lab sheet number 59-22863 sampled June 28, 2001. The sample designation needs to be changed from baseline to operational. I have contacted Ken Wyatt to make this change.

Should you observe any error or oversights in this information please do not hesitate to call me at (435)472-4711 or Johnny Pappas at (435) 472-4741.

Sincerely yours,

Vicky S. Miller
